The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Lewis County Public Safety Radio Communications Project in Lewis County, Washington for fiscal year 2023.

The entity to receive funding for this project is Lewis County located at 351 NW. North St. Chehalis, WA 98532.

Funding for the Lewis County Public Safety Radio Communications project will improve countywide mobile and portable radio coverage, as well as ensure radio system reliability to improve public safety. Replacement of Lewis County Public Safety radio system infrastructure is essential to provide for reliable communications for all Lewis County law enforcement and first responders, 911-related communications, and all state agencies operating within the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jaime Herrera Beutler
Member of Congress
